

# T-MAX EVO

## All essential tools at hand!

The **T-MAX EVO** toolbox with sturdy wheels and a stowable handle is the mobile garage for the automotive glass professional.

Thanks to the innovative opening mechanism the upper part can be easily moved for full access to the lower compartments.

The **T-MAX EVO** consists of three compartments with foam inlays, which contain **73 high-quality tools**. The two lower parts can be opened quickly by unlocking the transport securing device. For safety, the upper compartment can be locked with two metal snap closings.

## Our toolbox: Complete equipment for the glass professional.

Based on our many years experience we have selected tools according to their quality and ergonomic properties. The result is a fully equipped toolbox for the automotive glass professional.

The **T-MAX EVO** contains 73 different items, many of which are special tools designed to meet the demands of today's automotive glass removal and installation.

Dimensions (LxBxH):  
530 x 330 x 730 mm

### T-MAX EVO:

- Comprehensive range of tools
- Flexible and robust
- With smooth-running wheels
